RENEGADE COOP 4.00

The server is online and running 6 of 7 maps (Intro is crashing for some reason).
I would like to invite people to join it sometime during this week so we can properly test the performance and things.
Thanks

Server Nickname: Coop4
Server IP: 188.138.84.233
Server Port: 6000
Server Rules: No cheating, No Excessive Whining, Register on our Forums

Server Maprotation:

- Boarding_Party | GDI Mission (Based on M04)
- Intro | GDI Mission (Based on M13) (crashing server atm, need to fix)
- Joipa | Nod Mission (Custom made)
- Midnight_Light | GDI Mission (Custom made)
- Nimrod | GDI Mission (Based on M01)
- Return_To_Joipa | GDI Mission (Custom made)
- Tutorial | Nod Mission (Based on M00_Tutorial)

Either -if you have scripts 4.0- just join the server and automatic download the maps or click the links above to manually download and extract them to your Renegade\Data folder

Have fun !

Hmm, if I get some free time I might pop in for a game or two... then again, my lengthy todo list might overflow from the noticeboard and cover my monitors before long xD
