Where did you get your journalism degree, sesame street? You seriously can't come up with a better word than fail? You are a talentless scumbag, it sure would be funny to see you try to ice skate, idiot! Go play in traffic!

This is the inevitable result of people's inherent tendency to simplify everything that they can. Typing is too hard, so we need to shorten simple words. Reading is too difficult, so we need to drop a few letters off random words.

That's terrible. My editor would've beat the shit out of anyone who used that for a headline.

How's that even a 'fail?' I bet the writer's never played a game of hockey in their life.

We have now reached such a low point that people can't tell the difference between a FUCKING TANK and an APC.

Beings a APC is a subclass of AFV I'd be willing to consider an APC a subclass of Tank.

It's not, an APC can have wheels, it's an armoured vehicle

My favorite part was the end. The lady trying to take a picture literally had me laughing my ass off.

Wtf Montreal Canadiens worst team in the league?

This season never happened.

There was another player lockout.

Anyone who disagrees likes the Leafs.
