http://renhelp.laeubi-soft.de/

Also, talk to zunnie about renhelp. He's the one that maintains it.

You can also try:
http://www.mp-gaming.com/renhelp/

Most, if not all, of the tutorials from the old sites are here, though some have missing graphics and screenshots.

Really wish someone else would maintain the Renhelp site, give it to someone who will actually maintain it. Make sure it is up to date and not missing all of the images..
