Can't be me, I'd never use noobtube

I say that guy was just waiting for the other guy to pop out so he could use his superior reflexes... maybe acquired from cod4. Just a theory though... and that he snaps off down the tunnel looking for his next victim.

Secondly spongebob c4 is gay as hell.

p.s Was going to bed, just spent best part of an hour playing ren cos of liquid

i've never used spongebob c4

i take ramjets over 500 snipers; they are more efficient at more tasks

the player that makes the kill is named ImJamie

i can upload the original clip to mediafire or something if you want to see lol
