we are discussing hugging not camping

p.s ack why in the world do you think anyone will bother improving their grammar when we got

you around here to do it for us. Thats like finding someone that will wipe my ass on command, why would I ever try to do it myself?

c0vert7 wrote on Tue, 29 May 2012 19:57After wastewater is conducted through pipes either into a septic tank or a treatment facility, the primary stage of dealing with sewage entails collecting the wastewater in a sedimentation tank. Once in the tank, the heavy solids are allowed to settle to the bottom and the floatable solids rise to the top, creating both an overlying and underlying layer of raw wastewater treatment sludge
