Live reading from djlaptop of the famous "ACK Reply"

Last year, at n00bparty, djlaptop was in attendance and he treated us to a live reading of the famous ACK Reply.

The original reply that started it all...

We haven't played much Renegade at n00bparty this year because many of us play LoL now so we've been doing that. Except for all the time we've spent doing other things outside of the house.

Keep being jealous, bro. All of your trolling and the trolling of others will not stop us from having a blast for this, our 6th year of n00bparty.
