I thought Jamie was Unisexual. Meaning it could be both a Guy's and a Girl's name. At least in my area it is. Just like Bob could be both a Girl's name and a Guy's name.

fail again charlie

Jamie, Jaime, Jaimee, Jamee, Ja'mie, Jamey, Jaymie or Jaymee is a name derived as a pet form of James. However, it has been used as an independent given name in English speaking countries for several generations. Though Jamie was originally exclusively male, since the 1950s it has also been used as a female given name especially in Canada and the United States.

.....

Charlie (given name) is a common nickname for Charles and less commonly for Charlotte or Charlene.
