i had this great sniping video, it started before i was on the mesa on walls flying... was raping everyone like crazy, but for some reason my fraps videos split into 2 files (too long for 1?) and i accidently deleted the good video and only had the walls fly footage left that u see in the vid

Watching people play easy games is boring. Watching you "snipe" is also boring.

//Wall hugging and jumping around in enclosed spaces is not "sniping"
//This is sniping:

those dudes would get raped by hitman in a renegade tunnel tbh
totally different fighting style
and hitman doesn't need some retard to run after him and call his shots for him!
