This just in! Liquidv2 is no longer an Administrator at Jelly Games!

Rumor has it that jbe4n removed Liquid for being too persistent with trying to change core Renegade gameplay!

More at 11.

Conflicting reports state that jewguy is now head administrator.

We believe he's released a statement saying that Jewly Server needs immediate donations, payable to Jewsef Stealin.

He stepped down as he hardly plays now, he's still involved and would be admin again if he wanted to move back up.

Drama over?

liquidv2 wrote on Tue, 02 October 2012 15:36AmunRa from here? what happened?

He was around Renegade for a while. Helped out with APB stuff (I think BR?), was also part of numerous clans like [NE] and [BA]. Apparently got shot in the head, survived and was doing better but unfortunately accidentally overdosed on pain medicine.. RIP.

It's also on MP's announcement section (reborn or someone told me, idr). I knew the guy years back, i'm pretty sure he was in NE for a short while.. It's way to long to remember honestly but he's been around a couple of clans.

It's sad too cause he used to be a big druggie and shit, was coming clean, had that happen to him and it was pretty much the end of that spiral..

that's so sad...RIP AmunRa dude.

I remember years ago when he posted his picture here:  
[http://www.renegadeforums.com/index.php?t=msg&goto=330843&rid=22731#msg\\_330843](http://www.renegadeforums.com/index.php?t=msg&goto=330843&rid=22731#msg_330843)

and for some reason I thought he looked like Havoc in his teens and replied back saying so.

this is crazy.
