MDK ... makes a very incriminating video showing Mokojin22 (kid has never done anything but invisihug since he started playing) hugging the entire game while standing next to Kicsi who is an admin at TMX and the only thing DJ can do is try to make fun of him on a forum he can't post on .. my god can you be more retarded haha. Way to prove each one of MDKs points about how terrible the mods at TMX are. I swear anytime I play in there there's six people hugging on the mods team and if you even attempt to hug back they kick you instantly LMAO cause they only care if it's happening to them. Be more retarded DJ, or atleast try cause I don't think it's possible.
