Anyone have a plugin with a custom sound when you get a kill for example

When you get a kill with a headshot it says headshot
When you get a killing spree it will Say KILLING SPREE

ect.

You mean like the Quake sounds thing UltraAOW uses? They have lots of extra sounds, but I'm pretty sure there's a config option in ssgm.ini that enables exactly what you're referring to (if that is indeed the Quake sounds).
