I was banned a few years for mutli-accounting I think. May I please come back and play again? I promise not to do whatever I was doing before. (3-5 years ago cant remember)

Banned by lazy5686

id 2127

It says something about a shared serial, but I have a code from when I bought it years ago.

This is a general forum containing many renegade servers and communities.

If you were banned from jelly server go to [www.jelly-server.com](http://www.jelly-server.com)

Didn't know they checked shared serials too and I don't know all the admins.

If it is a ban on the Jelly servers you should indeed go there. Or just join another server...
