<http://www.tiberiumcrystalwar.com> - View the new Site!

The new website design is now in place, i finished it this morning.  
No: I did not entirely make this myself, it was a theme i found online, i just modified it  
Still looks badass i think

The header logo will be replaced with a new one soonish, i will bugg Kenz3001 about it as soon as i smell him making his first morning coffee

hehe
