May 2013 WINNERS

Congratulations to NFHAVOC and fscjames for winning May 2013's game prizes on the servers NewMaps 4.0 and Snipers 4.0
They will both be contacted shortly and receive their prizes in the Steam and/or Origin Platforms.

June 2013 PRIZES

NewMaps 4.0 Prize: This time, at the end of June, the player who ranked first on our NewMaps 4.0 Server will receive the game-collection from Unreal Tournament on Steam.

Snipers 4.0 Prize: Available on Steam, the player who ranked first on our Snipers 4.0 Server will receive the Sanctum Complete pack on Steam.

New Prize Restrictions

If you win a prize for our server contest, you will not be able to win another prize for one month. So if you won in May 2013, you cannot win in June 2013, but you can in July 2013. This is to give other players who have less time to play a chance to win as well.

Notes

To be eligible for receiving your prize you must be a member of our forums and have either an Origin and/or Steam Account.
Click the image below to install these two clients from Valve and Electronic Arts.
