I'm looking for a boink sound that is Nelson from The Simpsons saying "HaHa". I found it on this video.

http://www.youtube.com/watch?v=NVlh0TLhv4c

Could someone recreate it for me? I couldn't find a download anywhere.

You can find the sound effect here: http://www.wavsource.com/tv/simpsons/nelson.htm

It may need re-encoding? also you need to rename it but i'm not sure what the default sound effect is called

xD

I have tested it out and works fine, pretty funny hearing haha on the headshots

download file, no need to re-encode and rename it to: correction_3

have fun
