Ack and Christine Korza are both 2 of a kind, she let's Ack in to delete threads, for no other reason other then they don't like the thread, If Ack or Christine Korza have anything to do with running this forum, it will not be ran fairly, we all know that. Come on people, I just had about 5 threads deleted by them just yesterday alone, not counting the past, and you watch this one too will be deleted. also they banned My IP address. but alas, I was/am too smart for them to keep me out. Ack is a cheat, he talks sexually to my minor kids during game play, so he's a pervert, and not man enough to op to it. And Christine is very prejudice, you guys that voted for n00bstories.com to run this forum will soon fined it was a mistake.

I do not know Christine or Blazer, but I have found them to be tolerant, fair-handed moderators.

I have found this to be a relatively smart group of strangers communicating on this forum, capable of flame-wars (sure) but mostly mature, intelligent fun. If you think that your posts are being deleted too much, maybe you should examine the content of your posts and make sure they are consistent with the level of maturity and intelligence that comprise the minimum standards we come to expect here. By the way, that makes for good moderating, not bad.
