Hi all,

just got a new computer looking to play ren again but can't find my old favourite reticule.

Google failed me...

It was a tiny circle reticule possibly called halo sniper or something. Anyone got it or know where to get it?

Cheers.

Hey there Mister Nune, you failed at Google!

I found it for you:

I attached to this post; hope this is it. Found it here: http://www.cncden.com/renegade_skins0001.shtml

edit: if you will be smurfing, let me know via PM that it is you so I can secretly team hamper.

Don't know if you're referring to this one, this is the only one I ever use.

I was wondering who would be the first to catch on, I thought it was pretty witty too.
