I love most of you. The others I could care less whether you exist in this world. But tomorrow is a day we should be able to put aside our differences and celebrate this holiday.

Merry Christmas you nubbies and Crimson.

@Liquid, I forgot to mention please tell your better half I said Merry Christmas and of course to you as well and all my friends @ Jelly.

@DJ I picture you all cammo'd up by now trying to make your way to the USA to seek me out. LOL So much rage and it should really be at yourself.

@ACK right back at ya big boy! I'm guessing this is your normal daily attire being you are a cartoon joke. That was you that did the sponge bob c4 right? To match your pajamas? Aren't you cute lol!
