The capital "B" wasn't proper. He could have used "purchased", but overall, it is an applicable use of the word.

bought  
bôt/

1. past and past participle of buy

Examples of BOUGHT

<a bought dress that looked like a high-end designer item>

Origin of BOUGHT

<past participle of buy

<First Known Use: 1599

That's what makes you so unique and lovable.

I hope my mis-understanding of the intent of your post didn't cause you the same trauma it apparently did to others as evidenced by the butt-hurt replies.

Again my apologies.

lol
