I have a new sound I would like to use for the personal ion cannon. What should I name the file to get it to work? (for example, gdi\_apc\_fire)

All I know is

ion\_reload.wav

Is the Reloading Sound for The PIC

Ok i found out what the ion cannon fire sound file name is but it gets cut short by the reload sound for some reason. I tried changing the reload sound but it didnt seem to work are you sure?
