I used to like making music on my PS2 back in the day using Music3000 lol these days we mix vinyl on the decks (as a hobby).

As for the tunes: For the fallen, grandpa DEMO, Hail the king and this one are all good and would work well in a session. Good work alpha

Thanks dubstar. Wow thats honestly cool if you mix with vinyl. I mix mostly on MIDI controllers, i have a Pioneer T1 and a NI S4.

At my fraternity i sometimes mix on a CDCJ2000NXS.

Thanks for your feedback. Appreciate!

Gotten any bookings by clubs? Seems reasonable to play if you got the devices.
