Calling all animator-type friends! If you want 'stuff' 3D Printed, send me the digital model (NDA inclusive heh heh) ... I want to print some awesome original 3D stuff for some design shows where I'm selling my new 3D printers, you can have the printed models when I'm done showing off, so u get cool 3D printed shit for free :) let me know....

MakerBot... My new job is business group manager for the 3D group at the UK distributor for these cool 'digital to matter' harvesters... Like Tron!
