Hi everyone,

I haven't been playing Renegade since about 2004 or 2005. Just thought I'd log back in and say hi. I used to post on the APB forums quite a bit too when it was still called Ren Alert. Is anyone still around from those days? Apart from Aircraftkiller, apparently? Does he still get annoyed when people call him ACK?

him ACK?

If there's one thing I'd expect someone to remember about the Renegade community after all these years it'd be that.

It wasn't that it annoyed me, it was more that it made anyone using that acronym look like an idiot

Aircraft is one word, not two

Aircraftkiller prefers to be called "AK" if you must shorten it.

Aircraftkiller is 3 syllables  
Air + craft + killer = ACK (Ack would make more sense but looks like a grimace noise)  
it's not how you make a proper acronym, but it stuck

Aircraftkiller prefers to be called "AK" if you must shorten it.  
You know if he happened to be 47 years old people would have all sorts of fun with that.

Aircraft is one word, not two

Well I'M GLAD WE COULD CARRY ON WHERE WE LEFT OFF. Aircraftkiller is one word, too. I shall be calling you A from now on. Good stuff, A

If there's one thing I'd expect someone to remember about the Renegade community after all these years it'd be that.

It was (and still is, apparently) one of the more amusing things about Renegade

HOLY SHIT WHAT'S GOING ON HERE?!?!?!?!?!?

Also ACK is an abbreviation, not an acronym.

EDIT: CAN SOMEONE TELL CRIMSON/BLAZER THAT THEY NEED TO SET UP THEIR SPF RECORDS?!?!?

EDIT2: ALSO TO BE EVEN MORE PEDANTIC, ACK IS AN ACRONYM WHILE AK IS AN INITIALISM!

Now there's a name I haven't seen in a whole bunch of years.

Much <3 Kushan.

Oh hai! I haven't forgotten about any of you! I watch you all while you're sleeping. It's not creepy, promise. It's just love.
