I said that for comedy purposes only as shown by the J/K <----- JOKE tag thing on the end, as far as i am concerened the only type of person that would make that nick ACKhater must mave a inferiority complex ands trying to earn some goldern stars by making a scene.

Blazer can you check there IP to see whos it may match just for the sake of curiosity? i would check Raven and PolicePolice's IP first Raven cause i think this is his type of humour and Police cause hes a n00b and likes doing stupid things.....
