A new year calls for a new community funwar! :nod: :gdi:

Game mode: classic AOW, so Renegade C&C mode without modifications
Max players: 12v12
Date: Saturday 4th January
Time: 9 PM Euro time, check your time zone here: https://notime.zone/OFCudUqOHsyo7
Discord: you will need to join discord to play, if you don't have a microphone then this is not a problem but you need to at least listen in. We will use the Rencorner discord. Join it here: https://discord.gg/rencorner
Server: we'll be using the ReneWars server

Please sign up for this game in this topic or by sending me a PM on discord, as spots will be limited to max 24 players. People who signed up will get priority if we end up having too many players online. If there are less players online then we'll play a smaller game.

I'll try to make teams as even as possible.

I'll be there! but can we add more maps to the server for this time around? The rotation was quite
small last time and some were complaining that all the maps were exclusively HD. Uphill, Bio,
Tomb, maybe even Siege? etc.

How do the HD maps differ from the stock Ren versions?

They're pretty much the same with some minor changes.
