well, i decided to go at it...

http://modx.renevo.com/showthread.php?s=&threadid=203

minus tunnels, and i plan on changing the water texture soon...

This is my first btw that made it this far, and as a complete map

Looks very very good...

Will we be seeing the REOL addon that allows us to download this maps?

Very nice anyway I can tell I will be faceing some very feirce tank battles on this map...

It loooks to be a completely blanced map both sides have equal chances...

Need any beta testers.

i ran the map in sever perspectives to keep point whoring to a minimum, if you see the base, you getting hit with defenses.

again, i will add the huge tunnel system tomorrow

"maybe" a private beta this weekend...
