G.NET Will have approx. 4 servers on GSA.

More news soon! ;D

G.NET - Server 1 : Normal CNC mode Server
G.NET - Server 2 : RenAlert Public server
G.NET - Server 3 : VOTE FOR A PURPOSE!
G.NET - Server 4 : Mod map challenge

You had better make one of those servers for RenAlert, or else!

It's too often that there isn't a single server up, mainly due to people not knowing about installing the new scripts.
