Somehow, somway when Blix wanders around the Iraqi desert with a blindfold on and says 'nope, no WMD here' it's the truth BUT when we have troops on the ground getting treated for nerve gas expose it's propaganda.

I've seen the anti-war types turn ALL KINDS of news sources into 'propaganda' because they contradicted what they believe, what a bunch of horse shit.

The best example is CNN. I hate CNN. CNN blowz donkeys IMO & they have a leftist slant. But now I get to watch leftist call their own media outlets propaganda...bravo.

WWWWWWWWWWWHHHHHHHHHHHHHHHHHHAAAAAAAAAAAAAAAAAAAAA!!!!!!!!!!!!!!!

I WANT TO BE RIGHT DAMNIT AND WILL SAY ANY OLD THING TO MAKE IT LOOK LIKE I AM. :rolleyes:

Keep tuning into Al-JeezComeOn to get your truth..it will take you so very far. Or try their sister station the BBC.

I think someones been smoking a little too much shit from Cheech and Chongs labrador. BBC and CNN are not the same. and all your arguements are not valid...as you do the same. I hear the pro-war people turn our news sources into "mindless propaganda" more often than I do the other way around

He was meaning Al-jeezra and BBC together (which was a joke, you idiot). And try backing up your opinions with facts before you state them blindly.

there's a reason why you dont make jokes in serious discussions...it pisses people off and makes your point mean less to people. People aren't gonna listen to you if all you do is make fun of them.
