Ok guys calm down on Gunrun.

I know him. his Mod is not a Cheat. All he did was Tweek a Few things.. he one of the First people to Make Superweapons Usable without a beacon. they are a bitch to reload and they don't do full damage. ok sure some things maybe cheep but im telling you.. this mod IS NOT A CHEAT..  
Thank you

I thought that you would deffend that n00b too.

Get the fuck out.

Superweapons are just fucking weapons.  
His mods are lame, flying chickens and vehicles...jeesh

Everyone isn't two persons.

CNC Alpha is coming back.

I gave the site to Clive.

Childish moro, I just had more fucking stuff to do.

Do you always have to turn all your crap into personal shit you fucktard.

You suck, Alpha don't , I couldn't run it, and only because I kicked you out you're fucking mad at me.

You're pure lame.

You're annoying.

You smell.

So...I'm a fucking retard huh?

.../me looks at your fucking spelling of Ghetto punkazz :rolleyes:

At least I got FANS (in my real life - I am a Dj ) and a girlfriend.

All you got is a fake "cool" life and a gay boyfriend.
