God, would you shut the fuck up?

Do something useful instead of camping in front of your PC all day, doing your best to piss people off.

yeah, renegade is a bit old nowadays and does suck compared to its possible potential, but you don't have to be a jackass about it.

hehe, planetside beta's the best beta i've been in

It's a good part of this shit that I don't go to message boards anymore.

(just can't fully pull myself from Ren yet) :bigups:

I will reply to you this time. You are a child. Do some growing up before trying to speak again. Your immaturity is bright as the noonday summer sun. You have no idea what you are doing right now and will look back at this with shame when you are older.

who cares if you stop making mods?

all you can come up with is a cheat for not dying on the single player part of the game!!!!!!
