Hi, my nick is bajadera from Holland. Since 2 weeks I get stalked in games where I am by a person called WONDERU. Everytime I go online in Renegade he comes in game and swears at me and paste me full with mc4. Why??? I asked him several times but he only answers : every time you play, I will join to spoil your game.

HELP HELP ...is there a way to complain at Westwood so he be banned for ever??? Or get at least a warning???

He even gives the opponent free vehicles when I am in game just to make sure my team will loose. This is no good for the game.

I have server on Europa (bajaserv)

Thanks for the help , if you can.

Bajadera

If you host a game why don`t you just Ban him from ur server and play that all the time or join a game where the host is a friend and ask him to ban ur stalker?

To bad for you

But heej he will get bored when you won't react on him. Who cares when he puts c4 on you. Just

---

ignore and he will get bored soon. I don't think it will help e-mailing Westwood  
Maybe you can ban him so he can't page you anymore. Go to your buddy list and chose  
Advanced buddy list or something in that side bar at the left.

Good luck.

I will put him in my buddylist and bother him sometime :twisted: :twisted:  
btw I am from holland 2

Whenever he throws timed-c4 on you, run right next to him until it blows up, killing him as well.

Ok... how many times do you have to be told... THAT is a waste. Laugh to yourself... out loud even... just don't post it. You want a definition of spam? It's you. You registered 9 days ago and you ALREADY have, as of this post, 145 posts being 16.11 posts per day. If it's not going to be a contributing factor to the ongoing conversation and more than one smiley, one word, or one abbreviation then don't bother hitting reply.

You didnt even see him when he was at 28 posts per day. THAT was spam. At least his siggy isnt long. It would take up so much space, considering that he usually posts multiple times per thread.

And usually when he did post multiple times in the thread... they were the same exact post several times.
