I dont really get these things. I asked a guy what the ack-reply thing was all about and he just said "thz2? Is that your real name lol"
I've obviously missed something here...

[EDIT]

:rolleyes: Ah I see, they're random quotes from forums. Duh.
Funny stuff though. I demand more.

LOL, I just noticed on my big (home) monitor...

Some of the words in my read are wrong. In the studio I read this off a little 5" monitor, and the font was kind of hard to make out. Sorry about that. I'll make sure to print them out next time.
:oops:

This should become a weekly event. The "weekly Ren Forum dramatic reading".

You could even include quotes by getting other people to read the quotes as they appear in the forum!

Very cool....Keep it up Dj.

Well DJ is an ACTUAL DJ, so he has the whole kit at the studio.
Thats why I've been bugging him for ages to let me go on the air in one way or another.

A goal I will soon accomplish.
