Right now, BeanyServ is sniping only, however, there is so many sniping servers out there that I think I might make it an infantry only server.

What do you think:

1. Sniping
  2. Infantry Only
  3. CTF

Stay Sniping.  
Stay Sniping.

Stay Sniping.

I love your sniping server. Don't make it non-sniping. Then i wouldn't love your sniping server, because it wouldn't be there.

I vote for an infantry only server. I can never find one when I want to play on one
