I have been gone for 60 days. I have been in detention. A place called "Weber Vally Detention." It's kind of like prison. I was there because I missed school. It has killed me mentally. I can't even type good anymore.

If I sound a little like a n00b, it will go away soon. Because everyone at detention is a n00b. I need to get used to computer life again. I don't know about any of the recent news, or anything that has happened.

Right now I'm in a place called "Archway" Detention. I there only because my house isn't clean enough for me to live, so the DCFS put me there temporarily until my house is cleaned up. Everyday, from 4:30 to 8:30, I get 4 hours to help clean up my house. All that needs to be done is my room needs to be clean. By "clean", I mean all of the junk stored away and put in the shed or somewhere. It's almost done. It will be done by tonight and tomorrow around 2:00, I'll be able to go home for good.

You don't know who she is. Hmmmmm.... You must have missed that post where everybody thought she was a guy but she came out and said she was a girl. And that she plays Renegade naked. Hmmmmm.... I wonder if that post is still here.

Anyway, I justwant to know something. They put you into a Detention center when you miss days from school???? Damn. Where do you live at dead4ayear2?

EDIT: Ahh yes. The post is right here for some of you that don't know her.

And I should have looked at your profile to see where you live.

I'm not a girl. I'm a guy.

Anyway, yes, if you miss school every week, eventually you'll start going to truency court. Then if you continue to miss, they'll just put you there for a couple days. Then if you continue to miss even more, you'll stop going to court with a group of other people and start having your very own session of court. They will put you on probation to go to school, and threaten you with 1-4 months of detention if you have any unexcused absents.

BTW, I live in Utah, Riverdale. But I'm sure they have the same laws about truency where you live.

BTW, I just got out of Archway today so I'm out for good.

ArUsH4nllwanna tell us the long story?  
(sigh)...

---

I have anxiety and before I wasn't on any medication. With anxiety, when I try to sleep at night, I go to bed and close my eyes but my mind is racing with thoughts and questions. So I have a million things going on in my head and I can't stop it and with all these thoughts, there's just no way I can get to sleep. So when I finally do get to sleep, (about 3:00 in the morning) when I wake up, I only have about 3 hours of sleep so I can't even get out of bed. When this happens, I sleep through school. When I was in detention, I talked to the nurse and she put me on some medication called "seriquil". It controls my anxiety in the day, and makes me sleep at night.

There's the long story. Now I have to get back to typing my dad, that I just found out has to stay in prison for two more years, a letter. And since I know that you're just going to smack the "post reply" button with your mouse and ask "what's he in prison for!? What's he in prison for!? Tell me, tell me!", he's in prison for making, using, and selling meth.

I think you should be banned for multiple reasons.

1. Spamming - making a post not worth any one's time to read.
  2. Trolling - posting a comment and expecting a negative comment back.
  3. Racism - Judging others by thier race.
  4. Being a n00b - n00bstories is a place to talk about how stupid other n00bs are. Not a place for n00bs to talk.

1. You don't know what "n00b" means. n00B is someone new or not who ruins something for everyone else, or does stupid/idiotic things, etc. It isn't someone who lied, or joked about playing Renegade naked. :rolleyes:
  2. White is a race stupid. White is slang/another word for Caucasian.
  3. You don't think saying "You're white trash" is racist? Do you also think that saying "You're a nigger" isn't racist either?
  4. Several people have been banned for what you're doing. (Spamming, attacking others with racial comments, Trolling...)

Because recently you've been acting like a n00b.

And yes, you did call him a n00b, saying "talk about n00b u are the one who..." is calling him a n00b. If you don't know how to use a word or phrase properly/correct, than don't use it.
