Quote:You GOT a score of 11 out of 11

You rating: Only 3 people have ever scored this high

This is based on the Simon Evans score rating system
answers below

Now Here's the Twist;), your answers not only can tell your current intelligence, but the combination can also forecast your upcoming love life:

Your Projected Love Life: Your Love Life may bloom soon

Remember you must pass this page on to at least 5 people.

0-4 People: We know you have no friends, don't look for anything good in your life

5-10: Your life will take a sudden turn for good in the next 2 weeks

11-20: Your love life now multiplied by your score

20 or more: Your life is guaranteed to get much better in the next week or less!

Wow...

It only took a little reading between the questions to get an 11/11 score.

The site is stupid, simply a spam-mail one.
