Seems like the RenEvo Forums have been shutdown, and seems everything with it has been to.

ModX = ShutDown
RenEvo Forums = ShutDown

Seems a shame that it has to go, would of been cool to have the ModX content moved over to somewhere and also all of the posts from RenEvo forums, as they has alot of good stuff in them.

*****EDIT*****

Forget the above stuff, i have just been out of the loop, hehehe

sorry about that guys, lol, carry on!!
