OK i Know when to do when i lost them (acc and password).

I entered my email but after days i still not yet receive them. I just bought the game and i can't play on WOL ? T_T

You aren't getting an e-mail.

OMG Not this question AGAIN.

Westwood is DEAD you wont get an email.

Just make a new account and you can use it straight away ok?

Don't worry about the email, you'll never get it, they are DEAD ok.

So just use the account straght away, you dont need no email.
