Alright, today at work me and some of my co-workers got into a big debate on who is the funniest character. Homer Simpson or Cozmo Kramer? Now if you ever watched Seinfeld and The Simpsons then you'll know who I am talk about.

So I just want to know who you think is funnier. Homer Simpson or Kramer? And you can explain reasons why. I'll go first.

I thought about this alot and even though Homer is one of my favorite characters to laugh at I would have to say Kramer is way funnier.

Reason why I pick Kramer cause the way the plot is. You know its like in a real life scene. See shows like Seinfeld, That 70's Show, Friends, etc. have to have a plot and have to make sense cause its in a real life environment. I mean it can be funny but it has to make sense.

I'm not saying Homer is not funny, its just that since its a cartoon the plot really doesn't have to make sense since its a cartoon. On a cartoon they can make anybody look and sound funny. I mean they can take the boringest guy on Simpsons wich is Hans Moleman and make him seem funny.

Thats the reason why I say Kramer is funnier. Cause its set in a real life envirronment. I mean imagine one of your nieghbors walking down the street wearing a techo color dream coat and a messed up woman's hat with a cane thinking he don't look like a pimp. He think he looks good but he does not know he looks like a pimp. Or imagine having a plan to collect soda cans and bottles and store it in a truck and go on a road trip to Minnesota just to cash it in for 10 cents a bottle and can. Thats funny cause it makes you think of things like, "What happen if that really happened."

Thats why I said Kramer is funnier cause its set in a real life environmant. See the Simpsons are funny cause its a cartoon and a cartoon doesn't have to make sense. Not only that, I have thought about doing some of the stuff from the show Seinfeld.

I'm not saying Hoemr isn't funny, cause he made me laugh many of times. Its just Kramer just takes the cake.

Kramer was dumb, but Homer was incredibly idiotic, and animated- thus being able to do dumber things. Thus, laughter. He was a complete moron too.

HOMER

Simpson by far. Look at the older episodes, like the 2nd season once *pets his complete second season DVD's*, they have more real life situation then the present day ones. But still, it's just very very funny to hear Homer say stupid things. Homer is just my hero, I grew up watching the Simpsons, I've only been watching Seinfeld for like a year. Kramer is still pretty funny though.

So in other words since you don't watch Seinfeld, you really can't say who's funnier.

Come on, this has to come from people that watch both shows.

Yeah, Homer is damn funny. Some of the things he does, and the way he says some of the things just crack me up bad.

"ok, when i step on your foot Mr.Thompson say hello"

stays quiet

homer turns round to the other guy and whisper

"i think hes talking to you"

Lemme guess- u have the Seinfeld script book? I think it's like Will from Will and Grace- always has the most 'looserish' lines that dont make any sense to English people and they sound so dumb. Seinfeld (from the few episodes i've seen) is boring (in my opinion) and I'm not a particularly huge fan of the Simpsons, but they still win by far.

HAHAHAHAHAHAHA... Aaaaah Yano. Some of my favorite lines are there

He is one of favorite scenes from one a Seinfeld epsiode called "The Fire". I know this scene by heart cause I acted it out at work and may everybody laugh. I call it the Pinky Toe Skit. Enjoy:

Kramer: Why did you go up there to Heckle her for?

George Walks in and hangs up his coat

Jerry: Cause she came down to the club to heckle me. I Give her a taste of her own medicine.

Kramer: OOOOOOH YEAH!!!! You gave her a taste of her own medicine alright!

Jerry: Well I didn't want her to have a accident.

George: What accident?

Kramer: Well after he heckle Toby she got so upset and ran out of the building and a STREETSWEeper ran over her foot and severed her PINKY TOE!!

George: THAT'S UNBELIEVIBLE!!

Kramer: Then after the ambulance lefted I found the toe. So I put it in a Cracker Jack box, filled it with ice and took off to the HOSPITAL.

George: You Ran!

Kramer: No I jumped on the bus. I told the driver "I got a toe here BUDDY. STEP ON IT!!"

George: HOLY COW!

Kramer: Yeah! Yeah! And then all of a sudden this guy pulls out a gun. So I knew any delay would of cost here her pinky toe. So I got out of the seat and started walking up to him. And he says, "Where you think you're going CRACKER JACK?" Well I said, "I got a little Prize for you buddy." BOOM!! POW!! BAM!! KNOCKED HIM OUT COLD!!

George: How could you do that!

Kramer: Then EVERYBODY is screamin'. Because the driver is passed out cause of all the camotion. And the BUS IS OUT OF CONTROL!! So I grab him by the collar and take him out of the seat and then I get behind the wheel and now I'm driving the bus!!

George: You're batman.

Kramer: Yeah, I am Batman. Then the mugger, he comes to and he starts CHOKING ME! So I'm fighting him off with one hand and I kept driving the BUS WITH THE OTHER you know!! So I manage open up the door and kick him out the door with my foot you know at the next STOP!

Jerry: You kept making all the stops?

Kramer: Well! People kepted ringing the BELL!

George: Well? What about the toe? What Happen to the toe?

Kramer: Well, I'm happy to say the little guy is back in place at the end of the line.

George: You did all this for a Pinky toe?

Kramer: Well its a valuable appendage.

Simpsons is for people that can read between the lines. There's an underlying political statement to almost everything on that tv show. That's what makes it funniest.
