1000 uses coming up, thats great news! The downside is that 334 of them have not posted anything here at all yet, almost exactly one third of the total users when we hit 1000. But hey, we are still doing good here.

maytridyMemberlist.

Alright makes sense....I counted 332 non active members....That is a lot of nobodies...

Yup.

Just people who either sign up w\ two different e-mail addresses, or people who left the Renegade community before they even posted.

And then there are those of us who just kinda lurk around in the shadows never really posting anything just reading stuff.
lurk mode activated
