Just remember. DON'T DRINK AND DRIVE! I hate dealing with MVA's that involve alcohol.

Its that time of year ... for that liver that does nothing to do some work for a change...

And to wear green ...

And pinch women who dont, and all that other good stuff

A toast to getting toasted!

I am tending bar tonight, (the Nitty Gritty in madison, WI- if you are ever in the neighborhood) and I expect to pour a great deal of Green Beer.

UGH, that food coloring stays on your fingers forever, I wonder what it does to your kidneys. LOL.
Having said that, glug-glug-glug! w00t!
