When I make a bot with the drop file how can I give a bot a different gun or change their gun?

thanks

Change their gun.

sorry for the confusion

Ohh I know what you mean, you want to know how to give a bot a different weapon, than what they would normally carry.

Ex. A Minnigunner oficer now gets a Sniper rifle in stead of a Mini-Gun.

I have done 30 bot mods, and have either 28, or 27 of them on my web under Renegade>Mods.

Are you guys exploring we cheat?

The very first thing i saw was an Aimbot. Cheaters.

You guys just copied all the info from the Renegade site. How original.
