Heya all, we have an up and coming project, and are in dire needs of a concept artist. As a concept artist, you take all those wierd ideas that are in our head and either put them on paper, or in bmp either is ok.

Requirements:
Artistic Skills
At least 3 originaly pieces of art (vehicles, buildings, etc...)
Storyboard experience or knowledge.

Contact Dante@RenEvo.com to apply.

What type of story is it? I can't model, but I'm pretty good putting Ideas on paper and figuring what vehicles look like. Afterall I did put Red Alert on my Casio Calculator.
