I have updated the RA1-Mod: Operation Flashback section on laeubi.de,
and Monkeyphonic finished some nice Models for the Mod.

So take a look at it on http://www.laeubi.de/ra1

Here are some smaller versions of the models Monkeyphonic did.

(You find bigger versions in the screenshot section)

nice vehicles, can you make a ingame movie of your mod?
I would like to see some buildings and such.
