Apparently some n00b sent out some emails that say they are from "Blazer", with contents like "Don't ever post on the forums again". These mails are not sent from me and should be ignored. If anyone else gets one, please send me a PM and notify me. I would like to see the mail header so I can determine who is doing it.

Dave is 14. Hence his dislike for that statement. I am 15 so I guess its pretty close. Most 14-15 year olds have enough sense not to do childish things without feeling some doubt for what they did. At least I hope thats how it is.
