Nice cardboard cut out ...

You should actually try making a better version of that it would be cool...

Idea for mod .

Whoa, a flaming contest in my own thread?! I feel so honored...sorta.

Meh, I'm not good in RenX(as you can see), but is there any EASY model that can be done that

maybe i could try next? Or, I could just make a whole lot of cardboard cutout models .

Working on adding a sliding door and a "Thank you, I'll see you in hell!" Apu sound for the door.

After that it's on to Moe's Tavern.
