Well just like two seconds ago my bro was doing a search on google for whatever reason.
Guessing its Photoshopped

O.K..

This was too funny.

No, it hasn't been Photoshopped. It's from a parody website (look at the URL):
<http://www.albinoblacksheep.com/text/victories.html>

It's not edited. Goto google "type french military victories" and press "I'm feeling lucky". Also try "Weapons on mass destruction" and press "I'm feeling lucky"
