I was just listening to Jay-Z's "Blueprint 2" cd while reading the forums. Anyways, I was listening to the song "The Watcher 2" and the first part of the chorus goes something like this:

I know you got your eyes on me  
I feel you watching me  
But it ain't hard to see that you can't see me  
You try  
But what you think you saw  
Ain't what you thought you saw  
You're betta off not lookin at all.
