I know this will sound quite sad but.....

I reported sum1 on n00bstories k, and they added their own story about me (here comes the sad part), im actually BOTHERED about what they put!

It's stupid that if you report sum1, they report you back, twisting the story to make them seem innocent. I really have no idea why im bothered by it though. What is wrong with me?!

no it wasnt u

it was some n00b who hates losing so he banned me....

it was the fact HE reported ME on n00btories that biothers me...
