While you're in Level Edit, go to the "Object, Transition" link in the presets and you'll see both the top and bottom for your ladder. and I have a great tutorial for making your ladder in my sig. Using the Boolean tool, http://www.renhelp.co.uk/Tutorials/TUT_Boolean
so feel free to get it and check it out.

I was in the same dilemma as thee author of the post
Thanks
Btw for any1 having the same problem , u can find the same tutorial
(http://www.renhelp.co.uk/Tutorials/TUT_Boolean) at
http://renhelp.net/index.php?mod=Tutorials&action=view&id=49 cuz renhelp.co.uk is down i guess..
