Thats right warpath just has 1 full week until offical internal beta launches, and we want to give the best we can to the tetsers therefor i have set out some things we need help with.

Someone who can spend some time applying skins to buildings, Our main ones that is such as the allied barracks.

Buildings modeller, someone that can provide map props such as logs of wood that can be placed on a map, and Buildings.

Someone who can add damage agregrates to the buildings.

Video Staff, we want to put together a nice beta video for the staff to see so if u have really good video editing/recording skills then please do help!.

For all that contribute, they will get a chance to play the beta.

Please post or the beta wont go out at all!!
